Hallway Expectations

- **Students will walk on the “right” side of the hallways to maintain consistent traffic flow.**
- **Students should use this time to go to the restroom and/or refill their water bottles.**
- **Students shall utilize their time in school to ensure their academic success!**
- **Any student in our halls during class time should be carrying one of three different types of passes. Students sent to the nurse should be written a “Clinic Pass”. A student sent to the restroom should carry the class’s restroom pass. Students called to the office or sent to any other area of the building should have a “Student Pass”.**

What About Tardies?

- A student is tardy to class if arriving after the bell anytime. The teacher will input a “tardy” into the electronic gradebook for this student.
- **Any student arriving to class more than 10 minutes late will be marked “absent.”**
- **Excessive tardies will result in disciplinary action. The third (3rd) tardy, and other subsequent tardies will result in a referral with the following consequences:**

 - ***2nd Offense: 2hr ASD***
 - ***3rd Offense: Parent Conference ISS/ASD***
- **Excessive absences will result in loss of credit for the class.**
A student may have a passing grade for the class, but due to absences, may not earn credit for the class.

Restroom Policy

- Only one student at a time is allowed to go to the restroom from a particular classroom.
- No restroom passes will be given the first and last 10 minutes of the class period.
- Students will be given a restroom pass on a colored sheet of paper. Each hallway has a different colored pass to represent that hall. Students should go to the restroom in their designated hallway.

- Students should utilize their hallway time between class exchanges to use the restroom and/or drink of water.
